

Welcome to Hand Picked Hotels.

Wine has been a passion of mine for many years. I have been fortunate to travel to many wine producing areas around the world and meet some incredible wine producers. To understand their philosophies and hear first-hand the stories of their own personal journey, really brings the wine to life. Knowing the history and the love that has gone into every bottle is a privilege and a joy. We at Hand Picked are delighted to share that joy with our guests through this carefully curated wine list, hand picked for you.

Each wine has been selected to marry with our award-winning modern British food or to be blissfully enjoyed on its own. Our menu encompasses wines from estates around the world: wines that are interesting and innovative or classic and traditional.

Wine from Villa Saletta, our vineyard in the breathtaking Tuscan Hills, also features on this list.

My family purchased the historic estate in 2000 and have spent time lovingly restoring it whilst keeping many of the age-old winemaking practices the same. We are proud of the wines produced at Villa Saletta which are delicious, have won many prestigious awards, and which reflect both the heritage of the estate and this fascinating wine region.

Completing this list is a selection of truly exceptional wines from our personal cellar collected over several decades. The provenance of these wines is exceptional. They have come direct from the estates to our bonded warehouse and kept in optimal condition for you to enjoy in the surroundings of our unique hotels.

We have derived great pleasure from the creation of this wine list and very much hope that you enjoy your wine experience at Hand Picked Hotels.

Wishing you a magical wine discovery,

Julia Hands

VILLA SALETTA

A story spanning centuries

The estate has been owned by just four families throughout its history with documented winemaking traditions going back to 980AD. Beginning with the Gambacorta family in the 14th century, then notably the Riccardi family, bankers to the powerful house of Medici, then the Castelli Family, and lastly in 2000 to the Hands family. By then the estate had almost entirely fallen to ruin, however they saw the potential to combine traditional Tuscan techniques and modern technology, but always grounded in the heritage of the estate.

Smooth, soft and crafted from Cabernet Sauvignon, Sangiovese, Merlot and Cabernet Franc grapes, this approachable Tuscan is made exclusively for Hand Picked Hotels, the name Raccolto a Mano literally means Hand Picked.

SALETTA RICCARDI	2018	£85	£22
------------------	------	-----	-----

Aromas of leather, tobacco, ripe red fruit and quinine. The palate is savoury, full and ample with silky tannins and a long and persistent finish, making this wine a bold expression of the estate's terroir and showcases Sangiovese at its best.

SALETTA GIULIA	2018	£85	
----------------	------	-----	--

Spice, toasted oak and aromas of berries, liquorice and violets lead to a full palate with a deliciously jammy aftertaste of ripe red berries. A modern Bordeaux style blend of 55% Cabernet Franc and 45% Cabernet Sauvignon that boasts an impressive finish.

980AD - MAGNUM	2015	£450	
----------------	------	------	--

This multi-award-winning wine was recently awarded decanter Best in Show. A rich nose with aromas of cherries, raspberries, blueberries, cassis and wild forest fruits. The palate adds black pepper, vanilla, liquorice, and rosemary. Elegant, with velvety tannins with a very long finish.

BRUNO PAILLARD

A partnership and a friendship.

Hand Picked Hotels and Bruno Paillard have been firm friends since 2001. The quality and elegance of the champagnes shows the passion and commitment of Bruno and Alice to bring us distinctive and refined cuvées.

Creating a new Champagne Maison in 1981 might have seemed like a moment of madness in a region that had not seen a new house in nearly a century, with a conservative attitude, however, was in a rented cellar and with grapes bought from carefully selected wine growers that Brunos first champagnes were born. Alice Paillard joined her father in 2007, then in 2018 she took over the management of the business.

Working organically with many sustainable practices in place, the Maison remains fully independent, and family owned and run today, just like Hand Picked Hotels.
