CHEESE SELECTION

Black Bomber

A top notch, extra matured cheddar that is loved for its creamy texture and deep flavour. Black Bomber is the flagship cheese of Snowdonia Cheese Company, and with good reason.

Cotswold Brie

Cotswold Brie is a delicious white, soft moulded cheese, produced from our organic milk. It has a rich creamy, clean and fresh taste, and while it continues to develop flavour over its life, it doesn't become a pungent cheese.

Clawson Blue Stilton

Clawson Blue Stilton is an award-winning cheese taking home UK Supreme Champion Cheese at the Global Cheese awards. It is made in the heart of the Vale of Belvoir by Master Cheesemakers who began crafting cheese over 100 years ago.

Quickes Red Leicester

Red Leicester is a deep and unusual russet red, with a flaky and silky texture quite different from cheddar.

Wensleydale

It is firm but not dry or hard; creamy with a surface that is crumbly; slightly sweet but also tart in flavour. It is sometimes described as having a nutty, buttermilk flavour complemented with a honey aftertaste and the gentle aroma of cut grass. It has a fine curd, minimal texturing, and high moisture content.
